Scouting History – Pinewood Derby

In 1953 Don Murphy, Cub Master for Pack 280C in Manhattan Beach, California wanted to create a new father-son Cub Scout activity he could do with his 10 year old son who was too young to race in the Soap Box Derby, which requires the boy to drive a home-made car down a hill. Don Murphy knew he created something special when he saw the smiles on the boy's face. The smiles and look of excitement are the same today as they were in 1953.
